The organizing committee reserves the right to limit the number of entries. Due to limited ice availability and according to our goal to preserve the quality standards of our popular competition we need to limit Eiscup 2019 (like in 2018) to a maximum of 250 entries. If this limit is reached we need to close the entry list and can put further skaters only on the waiting list – even if the deadline still has not passed!

Entries will be on first come first serve principle. Those skaters who have not paid their entry fees till the entry fee deadline will be replaced by skaters next on the waiting list.

**Entry fee**

**€ 50.- per participant to be paid latest till October 28, 2019 (incoming!!!)** to the following bank account:

In special cases we will offer reimbursement also later (medical attests have to be sent minimum four days before competition).

**Music**

All Competitors shall furnish competition music of excellent quality on Audio CD format and all discs must show competitor's name, club and category. Each program (short program, free skating) must be recorded on one track and on a separate disc. In addition, we highly recommend that competitors provide a back-up disc for each program.
