### Categories

B1 Total Blind | B2 Vision less than 5% | B3 Vision less 5% -20% | Amputee - leg | Amputee - arm  
Neurological physical disability (NPD) | Seating

The correction factor will be used to create 2 categories:  
Neurological physical disability is divided into 2 categories with the coefficient:

Category A with a coefficient less or equal to 1.4  
Category B with coefficient greater than 1.4

If we have too much athletes in one category (A or B), the chief judge can decide to change the limit of 1.4.

The medical diagnosis of each participant should be written in the NF Application Form, together with a doctor's signature and seal. For NPD the disability will be evaluated during the preliminary visit by a doctor for the application of the correction factor.
